For each visitor to our Web page, our Web server automatically recognizes IP Addresses, Web Browser Type, Date/Time.

We collect aggregate information on what pages consumers access or visit, user-specific information on what pages consumers' access or visit.

The information we collect is used for internal review and is then discarded, used to improve the content of our Web page, used to customize the content and/or layout of our page for each individual visitor.

With respect to cookies: We use cookies to record user-specific information on what pages users access or visit, record past activity at a site in order to provide better service when visitors return to our site . We may use cookies or "clear.gif's" (aka "web beacons" or "pixel tags") or similar technologies, in the sites to enable us to know whether you have visited a web page or received a message. A clear GIF is typically a one-pixel, transparent image (although it can be a visible image as well), located on a web page, which is retrieved from a remote site on the Internet enabling the verification of an individual's viewing or receipt of a web page. These methods are used solely by Eagen's Tooling Solutions to gather data on where visitors go on the website. They can not be used to personally identify you. We gather this data to improve our website and your browsing experience.

With respect to Ad Servers: We do not partner with or have special relationships with any ad server companies.
